A word from the Executive Director:

Dear Stakeholders, Partners, and Supporters, As I reflect on the past year, I am filled with immense pride and gratitude for the remarkable progress we have made together. In a year of both challenges and opportunities, our organization has continued to thrive, adapt, and innovate, thanks to the unwavering commitment of our team, board, volunteers, and supporters.

Our collective resilience in the face of an ever-changing landscape demonstrates the power of collaboration and community. We faced challenges head-on—responding to shifting economic conditions, adapting to emerging trends, and embracing new technologies—and each time, we emerged stronger and more determined to fulfill our mission. I would like to take this opportunity to express my heartfelt thanks to our board of directors for their leadership, to our staff for their dedication, and to our volunteers and partners for their invaluable contributions. Most importantly, I want to thank you—our donors and supporters—whose belief in our work and generous support have made all of this possible.

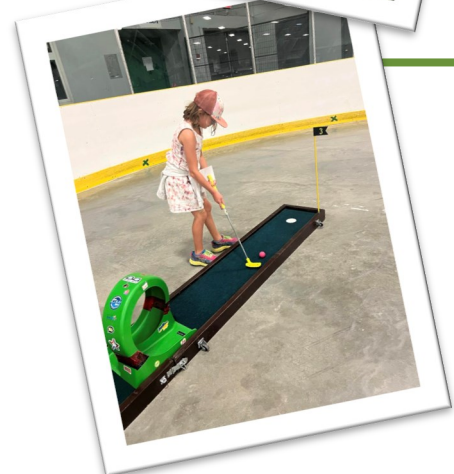

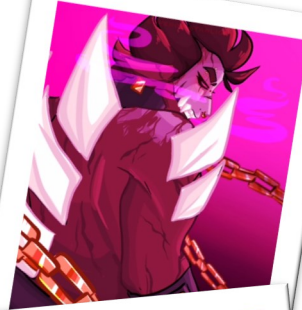

As we look to the year ahead, I am excited about the opportunities before us. We are more committed than ever to making a lasting difference in the lives of those we serve. Together, we will continue to build on our successes, tackle new challenges, and create a brighter, more inclusive future.

Thank you for being a part of this journey with us. I look forward to all that we will accomplish together in the coming year.

With gratitude and optimism,
Christine Lishman – Executive Director
